

PCA  
stands for:  
*Community and Connection*

For over 50 years, Philadelphia Corporation for Aging (PCA) has supported older Philadelphians and people with disabilities with vital programs and services to keep them thriving as contributing members of our local neighborhoods. Through our senior centers, Helpline, health and wellness programs, and job training, PCA assists the aging community to be connected to what they need the most to remain independent.

***To learn more***, call the PCA Helpline at 215-765-9040 • or go to [pcaCares.org](https://pcaCares.org)

PHILADELPHIA CORPORATION FOR AGING

*Enriching lives, preserving dignity.™*
